The Deputy Information Officer will inform the Requester of their decision within 30 days after receipt of the Request for Access or may extend that period by a further period not exceeding 30 days. The period within which the Deputy Information Officer will inform the Requester of their decision is subject to such extension as may be required to give a third party the chance to make representations to the Deputy Information Officer where the Record requested is with regard to the Records of that third party.
- 13.3. The period referred to in paragraph 13.2 above may be extended for a further period of not more than 30 days if:
- 13.3.1. the Request for Access is for a large number of Records and compliance with the original period would unreasonably interfere with the activities of Land Bank;
  - 13.3.2. the Request for Access requires a search for Records held at another office of Land Bank not situated in the same town or city as the office of the Deputy Information Officer that cannot reasonably be completed within the original period;
  - 13.3.3. consultation among divisions of Land Bank or with another Public Body is necessary or desirable to decide upon the request that cannot reasonably be completed within the original period;
  - 13.3.4. the Records cannot reasonably be obtained within the original 30-day period; or
  - 13.3.5. The Requester consents in writing to such extension.
- 13.4. Land Bank will notify the Requester in writing should an extension of time as contemplated in paragraph 13.3 above be required.
- 13.5. Should the Deputy Information Officer fail to give a decision on a Request for Access within 30 days, the Deputy Information Officer is regarded as having refused the Request for Access.
- 13.6. If a Request for Access has been refused, delayed or granted subject to unreasonable fees or in an unacceptable form by a Public Body, section 78(2) of PAIA empowers the Requester to apply to court for appropriate relief within 180 days of the decision.
- 13.7. If the court orders the Land Bank to grant the Requester access to the requested Records, the Requester must pay the access fee before access to such Records can be granted.

## **14. DEFERRAL OF ACCESS**

- 14.1. If the Deputy Information Officer of Land Bank decides to grant access to a Record but that Record:
- 14.1.1. is to be published within 90 days after the receipt or transfer of the request or such further period as is reasonably necessary for printing and translating the Record for the purpose of publishing it;
  - 14.1.2. is required by law to be published but is yet to be published; or
  - 14.1.3. has been prepared for submission to any legislature or a particular person but is yet to be submitted,
- the Deputy Information Officer may defer giving access to the Record for a reasonable period.
- 14.2. If access to a Record is deferred in terms of paragraph 14.1 above, the Deputy Information Officer must notify the Requester concerned:
- 14.2.1. that the Requester may, within 30 days after that notice is given, make representations to the Deputy Information Officer why the Record is required before such publication or submission; and
  - 14.2.2. of the likely period for which access is to be deferred.
- 14.3. If a Requester makes representations in terms of paragraph 14.2 above, the Deputy Information Officer must, after due consideration of those representations, grant the Request for Access only if there are reasonable grounds for believing that the Requester will suffer substantial prejudice if access to the Record is deferred for the likely period.

## **15. GROUNDS FOR REFUSAL OF ACCESS TO RECORDS**

- 15.1. The Deputy Information Officer shall, subject to other provisions of PAIA, refuse a request for information or Record on the grounds of:
- 15.1.1. mandatory protection of the privacy of a third party who is a natural person;
  - 15.1.2. mandatory protection of certain Records of South African Revenue Service;
  - 15.1.3. mandatory protection of the commercial information of a third party, if the Record contains:
    - 15.1.3.1. trade secrets of that third party;
    - 15.1.3.2. financial, commercial, scientific or technical information which the disclosure could likely cause harm to the financial or commercial interests of that third party; or
    - 15.1.3.3. information supplied in confidence by a third party, if the disclosure could put that third party at a disadvantage in contractual or other negotiations or commercial competition;
  - 15.1.4. mandatory protection of certain confidential information, and protection of certain other confidential information of third parties;
  - 15.1.5. mandatory protection of the safety of individuals and the protection of property;
  - 15.1.6. mandatory protection of police dockets in bail proceedings, and protection of law enforcement and legal proceedings;
  - 15.1.7. mandatory protection of Records which would be regarded as privileged in legal proceedings;
  - 15.1.8. defence, security and international relations of South Africa;

- 15.1.9. economic interests and financial welfare of South African and commercial activities of Public Bodies;
- 15.1.10. mandatory protection of research information of third party, and protection of research information of a Public Body;
- 15.1.11. mandatory protection of the operations of Public Bodies; and
- 15.1.12. manifestly frivolous or vexatious requests, or substantial and unreasonable diversion of resources.
